SHARE Group Corner

Thanks to all who participated in our hamburger/snow cone/malt supper last Sunday. We had over 130 in attendance, enjoying and sharing in the fellowship and wonderful meal. Our Sunday Night Together was a great success!

If your Share Group would like to host a meal on a Sunday Night Together, contact Doug and he will assist you in planning the event.

Congratulations!

Four members of our youth group were recently inducted into the National Honor Society at Huntsville High School. The youths honored were Santiago Casas, Lauren Foley, Noe Negrete & Traci Reece. Be sure to congratulate all of them on this great accomplishment.

Congratulations!

Deborah and Edgar Aguilon are proud parents of a new baby girl, Denise Eva. She was born Monday morning weighing 7lbs even and she was 20 inches long with long dark curly hair. Big brother, Diego is home now and very proud of his baby sister.
